All products must be made/raised by the vendor. *Please list all products, including details about each, that you hope to sell at the market, including seasonal items:*

If offering agricultural products, please explain how you apply environmentally sustainable agriculture principles to your farming operation. Please specify your methods in regard to soil building, insect control, weed control, and disease control. For livestock, please describe your housing, confinement, and pasturing methods, as well as feed provided and use of hormones and antibiotics.

If not offering an agricultural product, please explain how you use sustainable methods in your operation (i.e., local products, etc). You may use an additional page if necessary.

If you are selling prepared foods, meats, cheese, baked goods, or other foods requiring permits, please provide any required permits/licenses or certificates from New York State or Monroe County. If you are selling plants, cut flowers, or other taxable items, please provide a copy of your New York State sales tax certificate.

Each vendor must provide proof of product and general liability insurance, with coverage of at least \$1 million. The **Town of Pittsford**, 11 S Main St, Pittsford, NY 14534 **AND** the **Village of Pittsford**, 21 N Main St, Pittsford, NY 14534, must be listed as additional insured.

Vendor Fee and Acknowledgement:

Full Season (8 week) Vendor Fee: \$150

I have read the Farmers Market rules and, if my application is accepted, I will adhere to the market rules as stated.
